

7100SB

BLINDSTITCH WITH SKIP STITCH

The 7100SB is the sewing industry's benchmark for excellence when productivity, durability, and stitch quality are your requirements. Skip stitch and adjustable stitch penetration allow you to fine tune from fine silks up to medium weight woolsens.

For hemming pants, skirts and dresses, the 7100SB with "thread nipping device" (to allow easier removal of the hemmed fabric) offers the whole package. Low noise and vibration design, outstanding build quality and reliability.
