

BARRACUDA 200ZW

PORTABLE SINGLE NEEDLE LOCKSTITCH ZIG-ZAG,
WALKING FOOT

The Barracuda zig-zag and straight stitch portable walking-foot machine is remarkably versatile. Designed for boat owners, hobbyists, and small businesses, the Barracuda is ideal for medium- to heavy-weight sewing jobs.

With a stitch quality comparable to an industrial machine, even 8 layers of Sunbrella Plus is no match for the Barracuda. With top and bottom feeding, it produces a perfect, even stitch, even when sewing over challenging materials.
